□ Ladies and gentlemen,
□ Dear colleagues and students,
□ we are pleased to welcome **Ikast Brande Gymnasium** from Denmark to our school today. This visit gives to the students and teachers from the two countries the opportunity to get to know each other and exchange interesting information and experiences regarding the educational systems of both

□ Damer og herre,
□ Kære kolleger og studerende,
□ vi er glade for at kunne byde Ikast Brande Gymnasium fra Danmark velkommen til vores skole i dag. Dette besøg giver elever og lærere fra de to lande mulighed for at lære hinanden at kende og udveksle interessante oplysninger og erfaringer om uddannelsessystemerne i både Grækenland og Danmark.

□ Dear colleagues and students from Denmark,

□ welcome to our school, which is built in the area of Colonus, known since ancient times, next to the hill of Hippos Colonus, where was the temple of Hippos Poseidon, patron of the municipality, as well as the tomb of Oedipus was located, of which the history and the ascension was the subject of Sophocles' well-

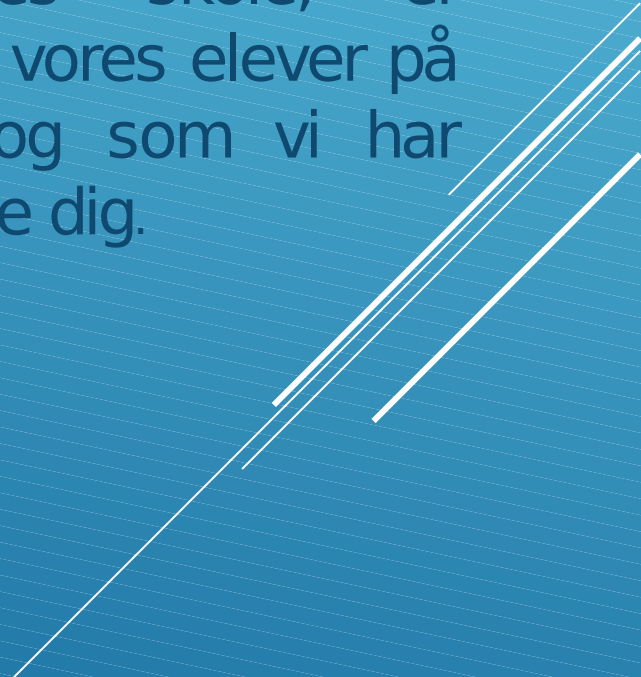

□ Kære kolleger og studerende fra Danmark,

□

□ velkommen til vores skole, som er bygget i området Colonus, kendt siden oldtiden, ved siden af bakken af Hippos Colonus, hvor var templet for Hippos Poseidon, protektor for kommunen, samt Oedipus grav var placeret, hvoraf historien og himmelfarten var genstand for Sofokles' velkendte tragedie "Ødipus ved Kolonos". Også i nærheden af vores skole

□ Of course, its current identity is determined not only by its fruitful contact with the past of Ancient Athens, but also by its response to the new data of science and innovation. So representative of the work done at our school is the souvenir made by our students at the STEM LIBRARY and which we have the pleasure to offer you.

□ Naturligvis bestemmes dens nuværende identitet ikke kun af dens frugtbare kontakt med det antikke Athens fortid, men også af dens reaktion på de nye data om videnskab og innovation. Så repræsentativ for det arbejde, der udføres på vores skole, er souveniren lavet af vores elever på STEM LIBRARY, og som vi har fornøjelsen at tilbyde dig.

- Dear colleagues and students from Denmark,
- we hope that your trip to Greece met your expectations, and we hope that it will be given to all of us the opportunity to meet again.

- Kære kolleger og studerende fra Danmark,
- vi håber, at din rejse til Grækenland levede op til dine forventninger, og vi håber, at det vil blive givet os alle mulighed for at mødes igen.

□ thank you !!! Tak skal du
have!!!
